

ADDENDUM NO. 1
November 12, 2024

REVERE HOUSING AUTHORITY
REQUEST FOR SERVICES
FIRE ALARM SYSTEM REPLACEMENT

The following are clarifications addressing questions received in connection with the above Request for Services.

1. QUESTION

“Can you provide clarification on the asbestos testing scope of the project? Specifically, is the cost associated with hiring an asbestos testing contractor a reimbursable expense? Additionally, if it is determined that asbestos is present on site, would the cost associated with hiring an asbestos project monitor also be a reimbursable expense?”

ANSWER

See RFS, Section II, Scope of Work which includes the following:

“Test impacted construction materials for asbestos content and if determined to be ACM provide suitable abatement procedures required during construction.”
